Be it resolved by the Quarterly Court of Weakley County, Tennessee, at its regular session held in the court house at Dresden, Tennessee, on the first Monday in January, 1947, that the Beer Committee heretofore appointed by said Quarterly Court, or their successors, shall hereafter be prohibited from issuing or granting any permit or license to any person, firm, or corporation, to sell, store or manufacture beer outside of the corporate limits of any town of Weakley County within two-thousand feet of any church, school, lodge or other place where the public gathers for instruction, entertainment or religious services.

Be it further resolved, that in determining the distance from the proposed place of sale, storage, or manufacture of beer to said church, school, lodge or other place of public gathering for instruction, entertainment or religious services the measurement in determining the distance shall be a straight line or the shortest distance between said points and the measurement shall not be by street, road, side-walk, or the customary and usual way of travel unless said route is the shortest distance between said points.

Be it further resolved, that this Resolution shall take effect from and after its passage.

The above petition approved by a unanimous vote of the Court.
